

# When I Start School

I am going to St. Fillan's Primary School in Glasgow.

Mr Bourke will be my Head Teacher. He is in charge of the whole school.

Mrs Henderson is the Depute Head Teacher. She looks after all the children in the nursery and infant departments. She will look after me.

My classroom will look like this.

I will get to play in the playground every day.

I will eat my lunch in the café each day. I can have a packed lunch or a school dinner.

I will make new friends and have fun at school.
