## ***Traffic Update***

The Parent Council would like to thank pupils, parents and guardians for your consideration with regards to the traffic situation at the front of the school. Traffic congestion and unsafe practice has been an ongoing and a growing concern on the roads surrounding the school. However, it is clear that we have seen some improvement, following communication via our enrolment days as well as the pupil high-vis campaign last school year, which was supported by Police Scotland from Aitkenhead Road Police station, and also GCC Traffic Wardens.

We are very fortunate to have a fantastic Crossing Patrol team and they carry out a very important role. Please continue to support them by showing them respect

## ***Kit Your Kids for School***

Want to save a few quid and get quality uniforms for the kids, look no further than Paul and Rose Kennedy. The School staff and Parent Council would like to thank Paul and Rose Kennedy from Kit Your Kids For School, for their services with regards to School Uniforms.

Paul and Rose have attended various parent and guardian sessions at the school to showcase their uniform ranges, and invite feedback from parents and teachers

Kit your Kids For School offers approved, high quality school uniforms at affordable prices and we would like to thank them for

and courtesy when they are performing their duties.

Thanks to everyone involved in promoting road safety, the Road Safety team of GCC, various pupils and relevant teachers did a fine job of communicating this important message on 6th October 2017.

Further to previous successful initiatives, we are also delighted to announce that Road Safety will be attending the school in January 2018, to continue the children's education of traffic safety and awareness.
